Dear Harold;

I am very disappointed that the timing worked out the way it did. I am really looking forward to you coming out here. It happened to be the worst possible time for me and would have left you more or less high and dry, as I said to you on the phone. Also, as it worked out, Art Kevin didn't get back into town until Wednesday. All in all I still feel it would have been a great waste of time for you. As it happens I have been given a different job which does not call for me being on the set all the time when we are shooting, as was the case last week. In this new job I have a little more lee way and had I had it when you were coming out it would have been a different story. Art also felt very badly about being out of town at the time. I know it will work out to be better all around one day soon.

I am sorry that the important matter of the affidavit had to be delayed. Is there anything I can do to help? If the party is in Los Angeles I might be able to obtain it for you.

In the meantime I hope you had a successful time at the college. If made the trip there and back and could come out here you must be feeling better. Are you able to drive any distance yet?

I hope this finds you and Lil in good health and spirits, also, my best to Jim.

Best,

Enclosed is a check for $200.

Paul
